

**AFC Foundation to provide a Technical Support Services to the Ministry of Tribal Affairs (MoTA) to improve dropout rate among school children in the schools supported by the Ministry**

Recognizing the continuous endeavor of **AFC Foundation** to contribute towards the betterment of the society, the **Ministry of Tribal Affairs (MoTA)**, has taken **AFC Foundation** on board to improve the dropout rate among the school children in about 150 schools run by NGOs under financial assistance provided by MoTA.

AFC Foundation's underlying motive has a resonance with the broader goals of the Ministry to ameliorate the human deprivation faced by some of the endemic ethnic groups of the country. The aforementioned tasks therefore would further metamorphose AFC Foundation's vision to make a just and plural society where class differences among some of the backward stratum of the society could be purged. This would, in turn, help upliftment of the underprivileged section and pave their way to upward social mobility.
